to what extent have senior officers of the CISF been vigilant to improve the methods of work and also comportment by CISF personnel at airports; and

the steps proposed to ensure that the CISF has better training and management practices to deal with growing air traffic?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI SHRIPRAKASH JAISWAL): (a) Improvement of services of CISF at the airports is an on-going process.

Sometimes, delay occurs at the metro airports during peak hours, which is not due to CISF personnel. A recent study has shown that CISF is giving 58% more clearance of cabin baggage and passengers than the norms of Bureau of Civil Aviation Security (BCAS).

A strict vigil is kept and senior officers at the airports and the Force Headquarters closely monitor performance of CISF personnel at the airports.

Training facilities offered by BCAS and those existing in CISF are utilized to deal with the situation. Dummy/Surprise checks are also conducted to check the efficiency of security arrangements at the airports.
